

Plant drwg..... Naughty Children

The Anarchist Brown Envelope

If my brother and me were squabbling when we were children our mother would threaten us with a brown envelope!!! She would hold the envelope up in front of her and say that parents were protected from unruly children and that she had written to the "Authorities" about us and that "The Authorities had the power to deal with us if we misbehaved any more. She never specified who "The Authorities" were or what exactly they would do, but I had a vague feeling that they had an office in Caernarfon and lo and behold within a few years a very large office building – The Crown Building – was built on the site where I imagined the "Authorities" to be holed up!!! Well, she never actually sent the letter, if ever there was one in the envelope, but one thing is certain she succeeded in making me very suspicious of anyone or any

Yr Amlen Brown Anarchaidd

Petai fy mrawd a fi yn ffraeo pan oedden ni'n blant byddai ein mam yn ein bygwth ag amlen frown!!! Byddai'n dal yr amlen i fyny o'i blaen ac yn dweud bod rhieni wedi'u hamddiffyn rhag plant afreolus a'i bod wedi ysgrifennu at yr "Awdurdodau" amdanom a bod "gan yr Awdurdodau y pŵer i ddelio â ni pe baem yn camymddwyn mwyach. Wnaeth hi byth nodi pwy oedd "Yr Awdurdodau" na beth yn union y bydden nhw'n ei wneud, ond roeddwn i'n teimlo'n annelwig bod ganddyn nhw swyddfa yng Nghaernarfon ac wele o fewn ychydig flynyddoedd i adeilad swyddfeydd mawr iawn – Adeilad y Goron – gael ei adeiladu arno. y safle lle dychmygais yr "Awdurdodau" i'w llenwi!!! Wel, ni anfonodd hi'r llythyr erioed, os oedd un yn yr amlen erioed, ond mae un peth yn sicr y llwyddodd i fy ngwneud yn amheus iawn o unrhyw un neu unrhyw beth sy'n honni bod ganddi "awdurdod" a dyna sut ydw i dal yn dipyn o anarchydd.

The dread slipper .
Even the mention of
it you were scared

'Os oeddech yn
ddrwg.' We were clob-
bered with a slipper, a
hair brush pointed at
the birch was enough!

Anwen would know about if you
were naughty at Talysarn school
you were made to stand under-
neath the clock for hours . Once
for me I bet anwen was 0 . Lol
